**“ ACPI and KSPOR National Workshop”**

**Venue:** Manipal College of Pharmaceutical Sciences, Manipal, Udupi District, Karnataka State.

**How to reach Manipal:**

Manipal is well connected by rail, road and air. Plenty of buses ply between Manipal and Udupi, as well as Manipal and Mangalore. Manipal is also well connected by road with Bangalore, Mysore, Goa, Ernakulam and Mumbai. The nearest railway station at Udupi (3 km) is connected to Mangalore, Goa, Mumbai and Delhi. The nearest airport at Bajpe (60 km) near Mangalore (1 and 1½ hours drive by road) has daily flights to and from Mumbai and Bangalore.

**We extend a warm welcome to you for an eventful interaction at Manipal**

**"Community Pharmacists & Patient Healthcare: An International Perspective"**

**11 June 2011**

**“Pharmacoeconomics and Pharmacovigilance: An Emerging Opportunities in India”**

**12 June 2011**

**Organised by**

Association of Community Pharmacists of India (ACPI)

**&**

Kautilya's Society for Pharmacoeconomics and Outcome Research (KSPOR), Manipal

**The Institute**

Manipal College of Pharmaceutical Sciences, a constituent college of Manipal University, was established in 1963. It offers graduate, post graduate and doctoral programmes. The National Board of Accreditation, AICTE has accredited the college as "A" grade and the college is ISO-9001:2000 certified. AICTE has identified this institution as a centre for Quality Improvement Program (QIP). College is organizing QIP regularly for the benefit of pharmacy teachers.

The college has many research projects funded by various industries and government funding agencies. It boasts of a centralised state-of-art library, research centre, medicinal plants garden, pharmacognosy museum and central animal house. The college is attached to one of the best teaching hospitals in this region – Kasturba Hospital along with a Contract Research Organisation – Manipal Acunova

**About KSPOR**

KSPOR an initiative to provide an environment where researchers, health care practitioners and decision makers interested in Pharmacoeconomics and outcomes research can share knowledge. The mission of the KSPOR is to disseminate and share the knowledge and information on Pharmacoeconomics and outcomes research among members from academic institutes, health institutions, pharmaceutical industry and other organizations India.

KSPOR plans to hold fundamental research activities in the area of pharmacoeconomics and outcome research, disseminate the objective of patient safety and cost effective health care among health care professionals by conducting workshops and seminars.

**About ACPI**

The Association of Community Pharmacist of India (ACPI: [www.acpi.in](http://www.acpi.in)) is a national body with sole aim of promoting patient safety and efficacy of therapy by promoting patient education and pharmaceutical care in all clinical settings including Community Pharmacy. Role of Pharmacist in health care is well established in modern clinical practice. The modern drugs always require highest degree of discretion and professional judgments while using them. It is usual to relay on pharmacist, who are experts in the drug related matters worldwide. Unfortunately, in India we don't find such practice. The ACPI aims to put Pharmacists into the active health care.

**Objective of the Seminar**

To provide updates on existing and emerging roles of Pharmacist in new areas of Pharmacoeconomics and Pharmacovigilance.

**Resource Persons**

Eminent resource persons from industry and academia will provide in-depth information through lectures/ discussions on specialized topics.

**Certificate of Participation**

All the registered participants will be provided with certificate of participation.
